

RESPONSIBLE ADULT REQUEST

I _____ (D.O.B. _____)
have reached the legal age of eighteen (18) and I am considering to become the sole responsible adult for all my educational and behavioral purposes at Pardeeville High School. By filling out this document I understand that the school will inform my parent(s)/guardian of my intent. It is understood that this process will:

1. No longer allow my parent(s)/guardian to have any say in my education or behavioral issues.
2. No longer allow the school to share academic or behavioral progress.
3. Exclude my parent(s)/guardian from having access to any confidential personal data.
4. Not give me any special privileges, and that I must continue to abide by established school rules.

It is my understanding that now the high school will make my parent(s)/guardian aware of my desires. If this continues to be my wish, the school will acknowledge it and make it official after ten (10) school days.
