Districtwide Instruction Moves to Four Days Per Week

Pardeeville students in grades 6-12 will be transitioning from the hybrid model of instruction to a 4-day/week model on **Monday, April 19**. Students attending in-person classes will be at school every Monday, Tuesday, Thursday, and Friday. Wednesday will remain a virtual day of instruction districtwide. At that time all students who have opted for in-person instruction, grades 4K-12, will be attending in-person four days per week! The school district views this as great progress and steps in

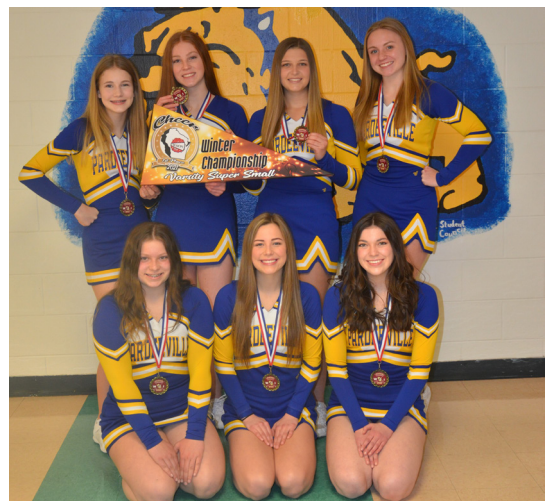

the right direction.

We are excited to have our secondary students back for more in-person learning time, but acknowledge the significant change that this is for some students. We also acknowledge that this change will be a challenge for some students and families. We are committed to doing all that we can to make this a positive, productive, and safe school environment.

Congratulations State Champion Girls Curling and Cheer Teams!

Girls Curling Team: Kylee Barden, Hailie Gilbert, Maddy Anderson, Ilyana McGuire and Morgan Warnke.

Cheer Team: Hannah Heil, Jessica Morrison, Sydney Bue. Back: Kylie Dechert, Ari Bouchard, Lauryn Engelhart and Lexi Maass.

Superintendent Comments

It goes without saying that the 2020-21 school year has been different. However, as the school year enters the last two months, things that have been done in the past are starting to happen again with modifications.

The high school and middle school bands and choruses will put on concerts in the auditorium in May. Only family members will be able to attend, but it does give the students, especially the seniors, one more opportunity to perform in the Lenz Auditorium. There will be awards night in the High School and graduation as scheduled although the number of people who can attend will be limited.

There has been discussion about the 8th Grade Promotion and possibly 4K promotion and more information will be coming out about those activities. Unfortunately, the school guidelines for COVID-19 mean that there will be no Elementary School music program this spring.

Practice for baseball, softball, track, and golf begins on April 19 and the School District expects to complete those seasons. The Bulldog Stomp is scheduled for May 1, 2021. Plans are tentatively in place for the 8th Grade Washington D. C. trip to take place in July, if the sights reopen.

Summer school is being planned like it was prior to

April 8 – Virtual Learning Day

As we prepare for the second round of COVID-19 vaccinations for district employees, we wish to inform you that April 8 will become a virtual day of learning for the entire district.

COVID-19 with enrichment summer school in June, summer school in the park in July, and remedial summer school in August.

The next performance for the community at the Lenz Auditorium will be the Glenn Miller Orchestra which is scheduled for July 20, 2021. More information about tickets and performance time will be coming out soon.

It is nice to be able to sit in meetings regarding school activities again. It will be nice to have these events occur. It is certainly a big first step to getting to a normal 2021-22 school year.

Parent/Teacher Conferences for Middle School and High School

April 15, 2021

Parent/Teacher Conferences for Middle School and High School students are set for Thursday, April 15, 2021. The conferences will be held after school between 4:00-8:00 p.m.

Due to restrictions still in place due to COVID-19, the Parent/Teacher conferences will not be face-to-face. Instead, a Google Meet will be used with families to discuss the school year with their child's teacher(s). In order to facilitate the timing of conferences, families will be asked to sign up for a specific time to meet with teachers. Teachers will be sending out information on how to sign up and how to get on to the Google Meet a week before the conferences. If there is a conflict with the date and you wish to touch base with the teachers, please reach out to set up a time.

Mission Statement

The Pardeeville Area School District, a caring, community-based learning organization, will provide all students an education that is a lifelong asset through active participation with family, business and community in a positive and challenging environment.

Pardeeville Names Class of 2021 Top Two

Pardeeville High School is happy to announce the Class of 2021 Valedictorian Julia Rieckmann and Salutatorian Cami Johansen.

Julia Rieckmann is the Class of 2021's Valedictorian. Julia is the daughter of David and Dawn Rieckmann. She has been involved in various activities throughout high school. Very active in the drama club, she served as club president this past year. In addition, she is the president of Pardeeville's National Honor Society and has been a member for two years. She is also involved in forensics and has made it to State all four years of high school. Julia is also a member of the Wisconsin Youth Symphony Orchestras where she plays the violin. Some of her hobbies include hiking and hanging out with friends. One of her favorite high school memories has been marching band with all of her friends. She hopes to become a pediatrician in the future.

Julia plans on attending Carthage College majoring in biology with a pre-med track and minoring in Spanish.

Cami Johansen is the Class of 2021's Salutatorian. Cami is the daughter of Eric & Carrie Johansen. Throughout high school she has been involved in volleyball and softball all four years and basketball her freshman year. Some of the most important clubs/organizations she has been involved with are Bulldog Stomp, NHS, and being vice president of her class for the past three years. During her high school career she was recognized

with a Trailways All-Conference Honorable Mention for volleyball this year, received the good citizenship award her sophomore year, and has been in the top 10% of her class every year. Throughout high school, one of her favorite parts has been the Homecoming Weeks, with all of the games, parades, and dances.

Cami plans to major in Elementary Education at UW-Stevens Point this fall.

We could not be prouder of these two fine students and all their accomplishments. They are an excellent example of the type of student and citizen that the Pardeeville Area School District produces. We wish them good luck in the future.

Graduation 2021

The graduation ceremony for the Class of 2021 is set for Saturday, May 29, 2021 at 2:00 PM. At this time, all graduates will be limited to eight (8) guests with gymnasium doors opening at 1:30 PM for guests. Masks are required for all attendees. Seniors should arrive at the high school auditorium by 1:00 PM with their cap, gown and any other graduation items (e.g. honor cords).

Like last year, we plan on having a professional photographer present to take a photo of each graduate when they receive their diploma. These photos will

then be shared with the graduates. All photos from the day will be made available to the public after the ceremony is over.

The ceremony will also be broadcast live. Directions will be shared prior to the event on our website and our social media outlets for those that wish to view the event.

Please note that these plans are subject to change as we get closer to the ceremony. Any changes needing to occur will be communicated as soon as they are known to seniors and their families.

Nurses Notes ...

We have had an exciting month!

We have been working diligently with the Columbia County Health Department and Hometown Pharmacy of Pardeeville.

On March 17, 2021, the 1st dose of Pfizer COVID vaccinations were administered to 91 individuals here at school by Pardeeville Hometown Pharmacy. The Pharmacy was able to get enough vaccines to provide vaccinations to: administration, teachers, support staff, coaches, substitute teachers, CESA staff, student teachers, and bus drivers. The second dose will be given on April 7, 2021. A big “thank you” to all, for the many hours of hard work, to make this happen.

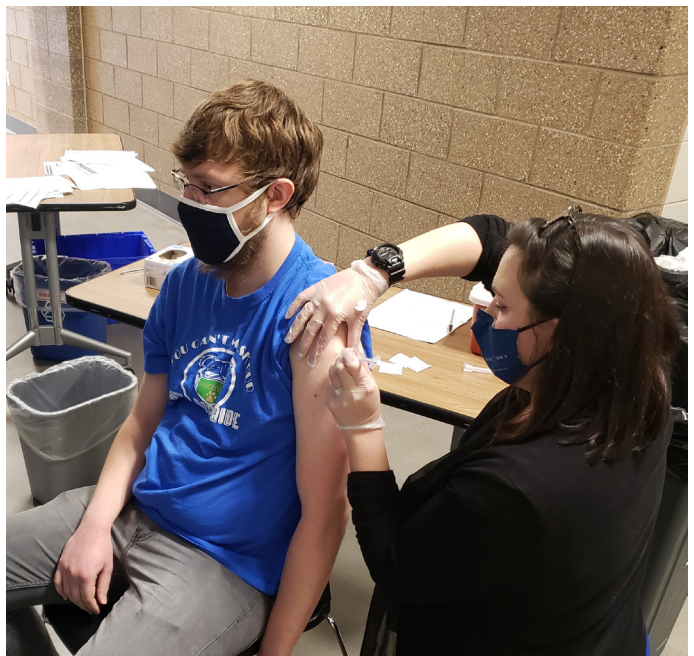

Many of our staff have also gotten immunized elsewhere and have kept us up to date on their vaccinations. We are very proud to say that everyone is working together for the safety of our students and staff. There was much jubilation on March 17th because it was a step in the right direction to relieve anxiety and give us all a better sense of control.

We continue to see COVID issues but it appears to be declining in our area. **This is due to wearing our masks, keeping safe distance, good hand hygiene and now we can add vaccinations.** Keep up the good work.

The second exciting news this month that is happening soon, PASD is planning a new program called **BRIDGING Brighter Smiles**. This is a School-Based Dental Program. Free dental cleanings, sealants and several other services will be offered to **All** students in school. Stay tuned for further updates.

Read Receives Herb Kohl Initiative Scholarship

Isabelle Read

Congratulations to Senior Isabelle Read, the recipient of the \$10,000 Herb Kohl Initiative Scholarship.

Each year, the Herb Kohl Initiative Scholarship selects 100 different high schools for the Initiative Scholarship. The selection of schools is based on a seven-year rotation cycle, which allows every high school in Wisconsin to receive an Initiative Scholarship every seven years.

The intent of the Initiative Scholarship is to recognize students who are putting forth extraordinary effort to do their best in the classroom and have overcome significant obstacles or adversity.

Helping Kids Make Decisions

Have you heard of the Child Mind Institute? The Child Mind Institute is an independent nonprofit dedicated to transforming the lives of children, families, and communities affected by mental illness and learning disabilities. They have information for families regarding all kinds of topics, not just mental illness and learning disabilities. Some examples include: Eating Disorders and Body Image, Organization, Suicide and Self Harm, Friends and Socializing, Parenting Challenges, Trauma and Grief, Sleep, and more! Here is the link to an article regarding Helping Kids Make Decisions: <https://childmind.org/article/helping-kids-make-decisions/>

The article talks about the importance of teaching kids how to make decisions by weighing the pros and cons of options, supporting a child's decisions (as long as they are safe) so as to build confidence and trust in their abilities, and when to let go and when to jump in and help. It's a great article and there are many more like it available from the Child Mind Institute. Their website is: <https://childmind.org/>

Hope House

April is Sexual Assault Awareness Month, and the theme is We Can Build Safe Online Spaces. Want to know how you can help? Speak out when someone you know is making victim-blaming comments online, report inappropriate content, ask before posting pictures of others, and check in with someone that has been harassed online to offer your support. If you or someone you know is experiencing abuse or harassment online, you can call Hope House's 24-hour, confidential helpline at 1-800-584-6790 for free support and resources. You can also reach out to the school counselor at your child's school if you need someone to consult with.

On Friday, April 9th the Be Kind People Project will be performing a virtual assembly at Pardeville Elementary. This assembly brings the skills of kindness to life with music, dance, and other teachings to show students it's COOL to be kind. Kids learn the Be Kind Pledge and are motivated to spread Kindness!

The virtual assembly link will also be available to parents to view the night of April 9th so families can view it together. If you want to learn more visit thebekindpeopleproject.org.

4th Grade Transition Conferences

The week of May 3rd, Mrs. Dietzenbach will be meeting with every 4th grade student and their parent(s) to talk about what to expect in middle school. Mrs. Dietzenbach will share information about schedules, after school activities, and the school. This is a great time for students and parents to ask questions or share any questions or concerns they may have about middle school. Then, in May all 4th graders go over to the middle school for a tour.

Parents- please keep an eye out at the beginning of April for an email sent about how to reserve a time to meet using the website Sign Up Genius. If you have any questions, please call Mrs. Dietzenbach at 429-2151 ext. 152 or email dietme@pasdwi.org.

Wisconsin Fellowship of Poets Student Contest Winners

Eighth grade students wrote free verse poems in English class during the month of January. Each student selected a photo from his or her past and used the photo to write about what he or she was seeing, smelling, hearing, feeling and tasting at the moment the picture was taken. All were encouraged to submit their poems to the Wisconsin Fellowship of Poets for consideration in their annual student contest. Ten students from Pardeeville chose to participate; one hundred and fifteen poems were submitted by 6th, 7th and 8th grade students from across the state.

Two Pardeeville students were recognized for their work. Chloe Kessenich won first place and will receive a cash prize of \$75. Her poem, entitled “My Hero” was about her relationship with her grandfather. Wyatt Navis received an honorable mention for his poem, “The Showing,” about his experience showing cattle at the World Dairy Expo. Both Chloe and Wyatt’s poems will be printed in the WFOP calendar, which will be available later this year.

Back on the Road to D.C....Hopefully

I just wanted to give all of you an update about our Eighth Grade Ambassadors trip to Washington D.C. for the 2020-2021 school year. I'm sure you all knew we didn't go last year or that we didn't make pizzas this year due to restrictions surrounding COVID 19. I had been contacted by a few people to see if I could get any of the shredded cheese that we use from Grande but after making calls to the company and to where we have to order it from, they said that they only allow us to get it from the factory at Wyocena because we do it as a fund-raiser so 'Sorry, but No'. When we have leftover bags of cheese we can't return it so we sell it to people for them to use and I get lots of compliments about how much they love it and want more. Oh well, I tried.... Talking about us making pizza, did you know that last year's class (Freshmen now) sold and made over 8,600 pizzas? A NEW RECORD by a couple of THOUSAND!!! They did so well on their letter writing and pizza fundraisers and then they weren't able to go. Fingers crossed and wishful thinking had us planning on going to D.C. the week of May 2 – 8, 2021 and not only having this year's eighth graders but last years (Freshmen now) eighth graders also going for a total of 4 buses and around 200 students and chaperones from Pardeeville and Cambria headed to our Nation's Capital and surrounding area. After checking the internet, talking to our travel agent and finding so many things still closed out there or limited access due to restrictions and the riots that have taken place recently, we decided to postpone the trip until the week of July 18 – 24, 2021. Mr. Lindert sent out a survey to see how many students could/would still want to go and the numbers showed that we would only need to take 3 buses but we are still hoping to go. So, if all of you would cross your fingers and toes and put in a good word for us to go in July....it would be appreciated!!

HIGH SCHOOL AWARDS CONCERT MAY 11 - TWO PERFORMANCES!

After a long year of having to perform virtually, we were finally given the go-ahead to plan for an IN-PERSON CONCERT! Hooray! We will still be following CDC guidelines and limiting our seating for the concert. In order to accommodate as many as possible, the HS ensembles will be having TWO performances on May 11. **There will be a Matinee showing at 5:00 PM and an Evening performance at 7:00 PM.**

In order to make this run as smoothly as possible, all spectators must reserve their seats. The ticketing program instantly blocks out seats around those selected in order to create social distancing. You will be able to sit next to those in your family. Currently, we have only opened this up to immediate families of our performers. However, at the end of April, all community members will be able to reserve their seats for these performances. Please note that once all seats have been reserved, there will be no more available the night of the performance. So please reserve your seats as soon as it is open to the public. *All performers and spectators will be required to wear masks.

Please watch for an announcement on our PARDEEVILLE MUSIC DEPARTMENT FACEBOOK PAGE for the release of seats to the general public. If you have not already liked and followed our page, now would be a great time to do so!

The bands and choirs have been working very hard to prepare an excellent show for you. We are all so excited to finally be able to share our talents LIVE! Plan for a night of fun, dedications, awards and entertainment. We can't wait to see all of you!

MIDDLE SCHOOL AWARDS CONCERT - MAY 17 6:30 PM BAND / 7:30 PM CHOIR

Just like the HS groups, the MS ensembles will finally be able to perform LIVE for you! In order to follow the CDC guidelines for social distancing, we have divided the concert into two halves - band and choir. The 5th Grade and 6-8 Grade Bands will begin at 6:30 PM. We will have a short intermission to switch over the stage for the choir performances beginning at 7:30 PM. Both the 5th Grade and 6-8 Grade Choirs will perform.

Also like the HS Concert, spectators will be required

to reserve their seats. The ticketing program instantly blocks out seats around those selected in order to create social distancing. You will be able to sit next to those in your family. If you wish to attend BOTH the band and choir portions, you will need to reserve seats for BOTH performances. You will not be able to remain in the same seat! Seats will be marked for the separate Band and Choir performances. Currently this is only open to immediate families of our performers, but at the end of April, all remaining seats will be open to any community members. Please note that once all seats have been reserved, there will be no more available the night of the performance. So please reserve your seats as soon as it is open to the public. *All performers and spectators will be required to wear masks.

Please watch for an announcement on our PARDEEVILLE MUSIC DEPARTMENT FACEBOOK PAGE for the release of seats to the general public. If you have not already liked and followed our page, now would be a great time to do so!

The Middle School bands and choirs have been working very hard to prepare an excellent show for you. There will also be some awards presented to some of our students this evening. We can't wait to show you how far we have come this year and see you all LIVE!

GRADUATION PERFORMANCE - HS CHOIR - MAY 29 @ 2:00PM

We are currently planning on having the HS Choir perform their usual Senior Song for graduation this year. As of now, those choir members who are not seniors will remain in the choir room until needed to perform. This is to help with the social distancing requirements. Once the choir has performed, all members should leave unless they have a reserved seat in the gymnasium. More information will be provided to the students as we approach the date.

8TH GRADE PROMOTION PERFORMANCE - MS (6-8 GRADE) CHOIR - JUNE 3 TBD

We are currently planning on having the MS Choir (Grade 6-8) perform at the 8th Grade Promotion Ceremony. This will be during the school day. The time and details have yet to be determined. This is just a heads up for those involved in the Choir. More information will be provided to the students as we approach the date.

Key Club Raises Money for Good Cause

Key Club just wrapped up our Pennies for Patients Fundraiser this year and raised \$548! This money is donated to the Leukemia and Lymphoma Society. At lunch our members walked around with buckets and students donated pennies towards their grade and silver coins and dollars against other grades. The freshman class won the penny wars!

This always creates a fun competition between the grades and it's a great way to raise money for a great cause!

School District Awarded TEACH Grant

Recently, Department of Administration (DOA) Secretary Joel Brennan announced 141 Wisconsin school districts and libraries will receive nearly \$3 million in 2021 Technology for Educational Achievement (TEACH) Information Technology Infrastructure grants. Pardeeville applied for this grant and will be receiving \$25,800! The TEACH Information Technology Infrastructure grants awarded to Pardeeville Area School District will be used to supplement the following eRate projects that were applied for and are pending approval: upgrade wireless access points for all 3 schools, upgrade outdated (1998) network cabling in the West end of the high school. The MS and east side of the HS were updated with E-rate funding and district funds last year, and upgrade the district internet firewall.

“These infrastructure grants will help rural communities improve educational accessibility for their residents, which ultimately benefits our entire state,” said Secretary Brennan. “I am proud that Governor Tony Evers and his Administration are supporting these important and ongoing efforts.”

STOMP ON!

We are so excited to share that this year's Bulldog Stomp Cancer Run/Walk will be held on Saturday, May 1, 2021. Now in our 13th year, our theme is, "We're All In This Together" and after everything that has happened over the past year, we couldn't be happier to help bring our community together again. This year's event will feature many of the same popular activities, including a silent auction & raffle (inside the high school atrium & hallway using the walk-thru format from last summer) and a kids 1 mile race. The run portion will feature our traditional 5K route. Taking into account feedback from past participants, walkers will enjoy a shortened 3K path. Both routes will include a trip through beautiful Chandler Park. Registration for the run/walk is available online (www.phsrunwalk.com/registration) or by using the form included in this newsletter. Anyone pre-registering by Wednesday, April 14, 2021 is guaranteed a free t-shirt. Registrations after this date, including the day of the event, will be eligible for a free t-shirt on a first-come, first-served basis until supplies run out.

Interested in being a sponsor or donating an item for the silent auction or raffle? Visit our website (www.phsrunwalk.com/sponsorship) for details or contact Chris Lynch at PHS with any questions. While we hope you can join us for this year's event, we've frequently been asked how to support our efforts if you can't attend. If you'd like to make a financial donation directly to the Carbone Cancer Center on behalf of the Bulldog Stomp team, please visit our website (www.phsrunwalk.com/donate).

We look forward to seeing you and enjoying a beautiful spring day on Saturday, May 1, 2021. Registration starts at 8:00 a.m. with the run/walk scheduled for 10:00 a.m.

FFA Members Compete

Pardeeville FFA members competed in the District Leadership Development Events (formerly known as Speaking Contests) on March 23 and 24th. This year the event was done completely online, with students performing their speeches through Google Meet to the judges during the night of the competition. It was a new experience for both the students and advisors, but all students did an amazing job! The Parliamentary Procedure Team, along with Maddy Anderson in the Extemporaneous Speaking Contest both earned high enough marks to move onto the Sectional Contest in May.

FBLA News

In this year's 2021 Future Business Leaders of America (FBLA) Region 5 Competition, there were three Pardeeville High Schoolers who competed virtually against other FBLA members throughout the state. Peter Freye, who is a four-year FBLA member, competed in Economics and was not able to make it to State Competition. Kyle Pulvermacher, who is a three-year member, competed in Accounting 2 and earned a 4th place finish. Katie Shogren, who is a two-year member, competed in Word Processing and was able to earn a gold medal with a 1st place finish. She competed at the State Competition on March 10th and will attend the virtual 2021 Wisconsin State Competition on April 12th. Good Luck, Katie!

Curling Season

With the pandemic closing the Pardeeville Curling Club this season, we were fortunate to rent ice time at the Arlington Curling Club during January and February. Even though it was a short season, consisting of only 7 regular season games, both teams saw great improvement throughout the course of the season.

The Boys Varsity Team, consisting of Kelby Crotty, Nathan Brant, Alex Kuhn and Levi Johansen, saw a big win over the Portage Boys Varsity Team during the regular season. Pardeeville won 6-0 in only six ends. During the regional playoffs, the boys ended 1-3 in the round robin tournament. Even though they did not advance to the State Semi-Finals, they showed great dedication and teamwork throughout the season and we are excited for next season!

The Girls Team, consisting of Kylee Barden, Hailie Gilbert, Maddy Anderson, Ilyana McGuire, Morgan Warnke, Emma Trahms, and Charlene Wendt saw a lot of ups and downs during the regular season, coming out of conference play with a record of 3-4. However,

they really showcased their skills during the Regional Playoffs with a big win over neighboring team, Portage, to earn them the #1 seed in the State Semi-Finals after round robin play. With a big win over Mosinee in the semi-finals, the girls earned their spot in the State Finals game, meeting Portage again for a great showdown. The game stayed close the entire way, with each team scoring only 1 point each for the first 6 ends. Pardeeville was able to take the lead in the 7th with hammer and scored 2 points. Pardeeville was able to hold Portage to just one point in the 8th end, earning the girls team State Championship Honors. These five young ladies played their hearts out this season and we are very proud of their determination, persistence and teamwork. Congratulations to Kylee Bardeen, Hailie Gilbert, Maddy Anderson, Ilyana McGuire and Morgan Warnke. We will miss Hailie Gilbert, our lone senior on the curling teams, as she graduates this spring. Both teams were coached by Head Coach Amanda Seichter and Assistant Coaches Clay Osterhaus and Kevin Kopp. Great curling everyone!

Cheer Team Wins State Title!

The Cheer team began its competition season in January at the Brookfield Blast Competition hosted by Brookfield Central High School. The team was thrilled to learn that they had placed first in the Super Small Division (teams of nine or fewer athletes). This proved to be the beginning of an unforgettable season. In the next weeks the team won the Oak Creek Nightmare Competition and placed Second in the It's Showtime hosted by UW-Stevens Point. Next on the team's calendar was the WACPC State Competition held on Feb. 20. Due to the entirely virtual format all the performances were aired on Feb. 27 followed by the announcement of awards. The team gathered at Lauryn Engelhart's home to watch the competition and awards ceremony. Nerves and excitement described the event as place winners were announced beginning with 5th place.... As the countdown of place winners continued team members sat glued to the screen and exploded in joy when the screen flashed CHAMPIONS – Pardeeville! Championship afternoon began with the team gathering at the high school to make signs and banners for the ride through downtown on board the fire trucks.

Later in the week following championship Saturday the team met for their annual Winter Awards Ceremony. The evening began with team games and contests, then the team enjoyed pizza provided by Phil Kamrath and other donors before the arrival of parents for the formal awards presentation. Coaches Garcia and Waldinger recapped the pandemic season and presented letters and awards. The following team members earned special awards: Hannah Heil – Best Cheer Teammate, Ari Bouchard – Rookie of the Year, and Jessica Morrison – Best Game Day Captain and the CheerLEADER Award. The evening concluded with cake and ice cream.

Coaches Garcia and Waldinger along with the entire team want to thank the Pardeeville Fire Department for hosting the parade through downtown on a few hours' notice and to Phil Kamrath, Angie Bierman, Jackie Kirk, Jenny Nickel, Jeff Bouchard, and Ralph Turner for the pizza, ice cream and other treats they provided for the team.

Pardeeville Co-op Wrestling 2020-2021 Season Review

Wrestling is one of the toughest and physically demanding sports that we ask athletes to participate in throughout high school. Dan Gable said it best when he said “Once you’ve wrestled, everything else in life is easy.” This year our co-op wrestling program with Pardeeville, Cambria-Friesland, and Rio had a wrestling season that will be one that the wrestlers and coaches will never forget due to the pandemic.

Before the high school season started Mr. Huset & Mr. Becker coached the 3rd year of the Pardeeville middle school program with 18 wrestlers participating from grades 6-8. The middle school had great success while wrestling in the Badger Conference. One of the many highlights was that as a team we did not lose any of our duals against our opponents.

In the second year of Pardeeville being the host school we had 11 wrestlers to start the season, Pardeeville contributed 6 wrestlers, Cambria-Friesland contributed 4 wrestlers, and Rio contributed one wrestler to the co-

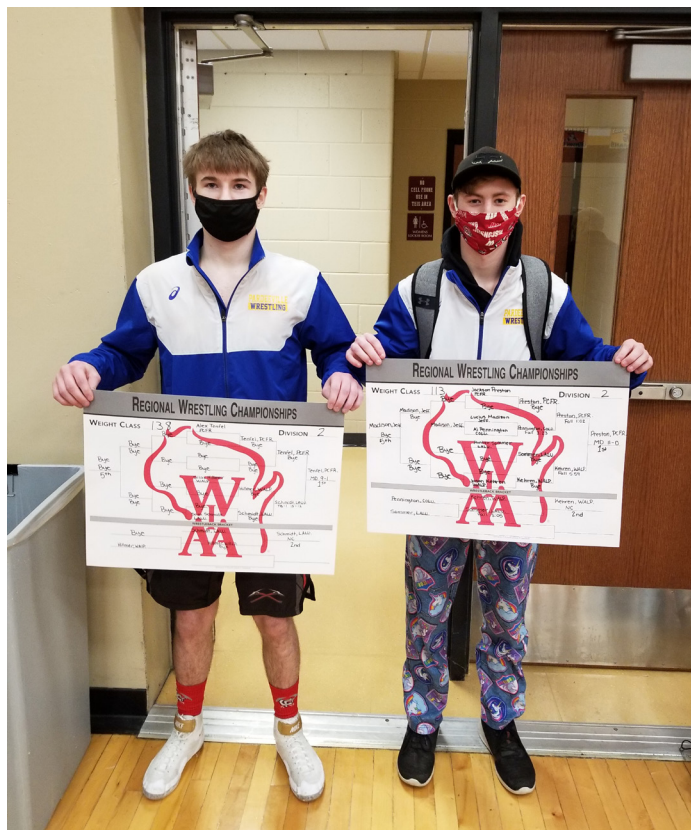

op program. The numbers for next season will be one of the largest in the conference.

Due to the pandemic there was not a Conference Tournament. There was the individual state wrestling series beginning with Regionals. Pardeeville’s Jackson Preston and Cambria-Friesland’s Alex Tenfel were Regional champions. Eyob Smith and Chris Reed also had wins at Regionals which showed just how far the wrestling program has come in the last few years.

Head Coach Jesse Huset, Assistant Coach David Rusher, and volunteers, Judd Becker and Craig Cray are very proud of these young men and look forward to next year’s season. Next season Pardeeville will be out of the co-op and beginning a new chapter of wrestling. We will drop down to Division 3 as a team and individuals. The team has large numbers and a ton of talent thanks to the youth and middle school programs. The Pardeeville wrestling program looks forward to continuing to make big steps in bringing the wrestling tradition back to Pardeeville. Go Bulldogs!

Girls Basketball Season

The 2020-21 Pardeeville Girls Varsity team finished in 6th place in the Trailways West Conference. They finished the season with a record of 7-12. This team had no Seniors on the team and yet we were competitive in almost every game. This is a great group of girls and everybody will be back next year. It will be an exciting group to watch next season! The JV team had a great season as well! They improved every game! With not losing any Seniors this year and what looks like a great group of 8th graders coming, this program is really thriving!

Award winners this year included: Captains - Sara Ott and Sydnie Wheeler. MVP - Savannah Manthey, Defensive Player of the Year - Savannah Manthey, Coaches award - Sydnie Wheeler, Most Improved player - Jessi Ernst, All-Conference 2nd team - Savannah Manthey, All-Conference Honorable Mention - Sydnie Wheeler.

We would like to thank everybody that helped make this unpredictable season happen - parents, administration, custodians, players, and any fans that were able to come. Without all your hard work we might not have been able to have a season! A year in which nobody will soon forget! Thank you so much!!!

Boys Basketball 2020-2021

The Pardeeville Boys basketball team finished 12-10, finishing 3rd in the Trailways West Conference. The team won a tournament game for the 15th consecutive year.

Award winners for 2020-2021:

Derek Lindert –WBCA First Team All-State, First Team All-Conference and Team MVP

Peter Freye –Hon. Mention All-Conference and Bulldog Academic Excellence Award

Brandon Hohn –Most Improved Award and 6th Man Award

Rookie of the Year – Devin Seth

WBCA Team First Award – Spencer Smith

I would like to thank everyone that supported these fine young men both on the court and off of the court this year. It was a unique and strange year. Good Luck to the Seniors!

Golf Team Looking Forward to Season

The 2021 Pardeeville Golf Team is looking forward to getting back on the course after having last season canceled because of COVID. This year's roster will have around 15 student athletes. The only returning letter winner will be junior, Kylee Barden. Barden earned a varsity spot as a freshman and helped lead that team to sectionals. Golf is her first sport, and she is ready to compete again on varsity with the boys.

A host of others will be competing for varsity spots as well. Senior Peter Freye, a talented baseball player, is going to multi-task this spring and participate in golf, too. He has spent a lot of time on the course over the last year and is excited to have the opportunity. Pardeeville students are able to participate in two sports at the same time, but they must declare one as their "primary". Freye has listed golf as his primary sport. Another senior, Ty Westbury, came out as a sophomore with little golf experience. He's improved rapidly since then and should compete for a varsity spot.

A trio of sophomores will also be trying to break the starting lineup. Cooper Jenatscheck, Jayce Pargman, and Payton Bryan all bring a good amount of golf experience to the team. Jenatscheck has actively participated in junior golf for some time. Pargman's older brother, Jackson, was a four-year

varsity starter for Pardeeville from 2016-19. Bryan, a good all-around athlete, has played golf, too.

All varsity spots must be earned. It is not uncommon for a student athlete to start the season on junior varsity and end up earning a spot on the varsity before the end of the year. Having 15 golfers on the roster will elevate competition for the starting spots.

Pardeeville will compete in the Trailways South Division this year. That means road trips to Horicon, Palmyra-Eagle, Williams Bay, Parkview, and Madison Abundant Life. Fifteen Trailways teams will compete in the conference tournament on May 26th.

The first official day of practice will be April 19th. The Pardeeville Golf Team practices at the Portage Country Club. Their first competition will be April 23rd in Oshkosh. Six conference mini-meets and seven tournaments make up Pardeeville's schedule this season.

There will be three home competitions this season. The conference mini-meet will be May 4th. The team will also partake in invitationals on May 7th and May 21st. All three will be played at the Portage Country Club. Pardeeville is coached by Mitchell Beckett and Jesse Huset.

Pardeeville Spring Sports Information 2021

Pardeeville Board of Education

MINUTES REGULAR BOARD MEETING February 1, 2021

The meeting was called to order at 7:00 p.m. by Ms. Margo Pufahl, Board President. Roll call was taken with the following board members present: Mr. Bret Achterberg, Ms. Lynette Ives, Mr. Tim Kath, Ms. Becky Lezvow, Mr. Dan Pulver, Ms. Karla Walker, and Ms. Margo Pufahl. Also present were Mr. Gus Knitt, Ms. Mary Kamrath, Mr. David Bell, Mr. Jason LeMay, Ms. Tina McElroy, Ms. Jane Clemmons, Mr. Alex Hammerschmidt, Ms. Jamie Gosda, Ms. Tara Runaas, Mr. Judd Becker, Mr. Taiton Myers, Mr. Bruce Brey, and Mr. and Mrs. Jim Thompson.

Motion to Approve Agenda

Motion by Ms. Lezvow/seconded by Mr. Kath to approve the agenda. Motion passed 7-0.

Closed Session

A closed session was held under 19.85(1)(c) of the Wisconsin State Statutes to discuss the contract for the new superintendent.

Action on Items from Closed Session

Motion by Ms. Lezvow/seconded by Ms. Walker to approve Mr. Jason LeMay for the superintendent position upon final review of contract details. A roll call vote was taken: Mr. Achterberg-yes, Ms. Ives-yes, Mr. Kath-yes, Ms. Lezvow-yes, Ms. Pufahl-yes, Mr. Pulver-yes, and Ms. Walker-yes. Motion passed 7-0.

Coronavirus Update

Mr. Knitt said the elementary school was shut down for a period of time and reopened on 1/27/2021. One elementary classroom will be off now for 14 days. COVID vaccines for school staff should be available beginning March 1st. Our school nurses have contacted Walgreens to get on the list to have them come and administer COVID shots to our school staff. Discussions should be held to decide whether we should have school on the days of the shots and, if we can only have part of the staff immunized at a time, how would we prioritize who would get the shots first. Mr. Knitt said our school would be willing to be a vaccination post if needed. He said most of the schools in the Trailways Conference are planning to hold graduation but they are struggling with decisions about prom. Mr. LeMay has talked with seniors and juniors about the prom and he will be doing a survey to see what their preferences are. Regarding the Washington, D.C. trip, a lot of the sites will not be open until May so they are talking about the possibility of having the trip in July. Depending how the vaccinations are progressing, we should know a lot more about everything in another month or so. The Trailways Conference has not had any conversation about spring sports yet but

that discussion will be coming up.

Student Report – Challenge Academy Experience

Student, Taiton Myers, gave a presentation about his experience with Challenge Academy and why that option worked well for him.

Report on January 2021 Pupil Count

Board members were given a pupil count comparison over the last couple of years. There were 823 students in grades 4K-12 attending Pardeeville schools during the pupil count on 1/8/2021.

REGULAR BOARD MEETING MINUTES February 15, 2021

The meeting was called to order at 7:00 p.m. by Ms. Margo Pufahl, Board President. Roll call was taken with the following board members present: Mr. Bret Achterberg, Mr. Tim Kath, Ms. Becky Lezvow, Mr. Dan Pulver, Ms. Karla Walker (attended via telephone), and Ms. Margo Pufahl. Absent was Ms. Lynette Ives. Also present were Mr. Gus Knitt, Ms. Mary Kamrath, Mr. David Bell, Mr. Jason LeMay, Ms. Jane Clemmons, Mr. Alex Hammerschmidt, Ms. Tara Runaas, Mr. Judd Becker, Mr. Dustin Hoffmann, Mr. Ryan Wendlandt, Mr. Garry Gard, Mr. Jeff Burkhardt, Mr. Andrew Schaller, and Ms. Jackie Kirk.

Motion to Approve Agenda

Motion by Ms. Lezvow/seconded by Mr. Kath to approve the agenda. Motion passed 6-0.

Open Forum

Mr. Dustin Hoffmann, youth boys' club basketball coach, said the club appreciates being able to practice at Pardeeville, but he

asked the Board now to consider allowing other teams to come here to play games instead of having to travel to play their games elsewhere.

Administrative Team Reports

Ms. Kamrath submitted a report on the Elementary School. She will be meeting this month with all summary teachers to talk about their Student Learning Objectives and Professional Practice Goals. Virtual parent/teacher conferences are scheduled for 2/18/21. Ms. Kamrath attended the virtual Elementary Principal Conferences on February 4 & 5. Four-year-old kindergarten registration is being held virtually due to COVID. Three students will be doing their student teaching at Pardeeville Elementary school this quarter. Ms. Kamrath is working on scheduling the Forward Exam testing. She is working on the enrichment summer school program, is contacting the Village of Pardeeville to continue the Summer Park Program, and is working with the Pardeeville Public Library to work on connecting our park program with the summer story hour.

Mr. Bell provided a report on the Middle School. Virtual parent/teacher conferences will be held on 2/18/21. Administrators met with Courtney Sturtevant to discuss procedures for the upcoming Forward Exam. Contact is being made with families of students who are failing to complete work, both virtually and in-person, hoping that between the remainder of the school year and summer school that these students are prepared for their next level. Good progress is being seen in a high percentage of the 22 middle school students in the 100% virtual program. With assistance from PowerSchool, some adjustments have been made to our standards-based grading program to best represent students' level of understanding and skill and what has been learned over the past three years is being used to assist the 8th grade team to implement grading for learning next year.

Mr. LeMay provided a report on the High School. February is Career and Technical Education (CTE) month recognizing Agri-Science/FFA, Business & Information Technology/FBLA, Health Careers, and Technology Education/SkillsUSA. PHS was unable to host the annual Job/Career Fair this year. Crystal Huset, counselor, made scheduling presentations to grades 9-11 for the 2021-22 school year. She also worked on four-year course plans with freshmen. Students will start registering the end of February. Statewide ACT testing will occur on 3/9/21. All juniors need to be tested. Virtual parent/teacher conferences are 2/18/21. Principals worked on an addendum to the Bulldog Blueprint and also on the 2021-22 school calendar. Options are being looked at for the Cancer Run/Walk scheduled for 5/1/21. Mr. LeMay met with juniors and seniors to talk about options for prom and students were given a survey to gauge their interests.

Ms. McElroy gave a Technology Department update. Sixty-six tech MOJO tickets were solved during the last month and 58 new tickets were received. Ms. McElroy contacted vendors for E-Rate bids, did walk throughs, created maps and documents for scope of projects. She set up testing servers and software for ACT, Forward and ELL testing. A camera at the Elementary School had to be replaced due to water damage. Ms. McElroy provided a report that shows the number of chromebooks that are in use for students and staff and it also shows how many chromebooks will be "end

of life" within 12 months or less. The school uses a software tool that helps update large groups of chromebooks quickly vs. updating each chromebook record one at a time.

There were 155 chromebooks purchased to replace chromebooks that will be end of life September 2021.

Mr. Housner submitted a Buildings and Grounds report listing work done in the custodial/maintenance department, some of which included: Replaced the ceiling tiles and carpet in the vestibule by door #3 at the elementary school due to water damage, painted the walls and stripped and waxed the floor in the reading room at the elementary school due to water damage, shampooed all carpets in the high school and middle school, did routine and preventive maintenance, completed 54 work orders, etc. GAPP replaced the main power supply for door 14 outside doors. Johnson Controls completed yearly boiler inspections. CESA 10 performed their Environmental, Health and Safety visit, and bloodborne pathogen and PPE hazards assessment.

Mr. Hammerschmidt, Activities Director, submitted a report. He updated the Board on the status of winter sports. The WIAA Board of Control will vote on 3/5/21 for our Football Conference realignment starting in the fall of 2022. WIAA spring sport guidelines should be published soon to give us guidance on how our spring seasons will operate. We will be running all of our normally scheduled spring sports. Some athletic webpages have been updated and more need updating. The football/track scoreboard will hopefully be replaced this spring/summer. Athletic record board and display cases are on hold.

Report on Schools Holding In-Person vs. Virtual Classes

Mr. Knitt provided a survey from CESA 5 and Trailways Conference school districts showing the instructional status for elementary, middle school and high school students at this time. The Trailways Conference reported on 18 schools and CESA 5 reported on 35 school districts.

Coronavirus Update

Mr. Knitt gave an update on Coronavirus. Two elementary classrooms have been out on quarantine. One of the sports teams had possible exposure with a player from another team that tested positive. The nursing staff is struggling with how to get staff vaccinated with Walgreens and other locations not getting enough vaccine. We need to make a list of staff that would be the highest priority to get shots first. The school may receive additional ESSER funds to help pay for some of our

COVID related expenses.

Board Comments and Questions

Mr. Kath asked if the boys' club request to hold games at the school could be approved sooner than the March 1st meeting. Mr. Knitt will check with Mr. Housner about this request. Mr. Kath said there is a new group of people in charge of the Hall of Fame and they would like to see the contract that was previously put together. Mr. Matt Trahms is one of the new contacts for the Hall of Fame project. Mr. Achterberg said a lot of people would like to see students back in school five days a week. Ms. Pufahl said she was listening to a live streamed game at another school and some of people didn't know their voices were being picked up on the recording.

Approval of School COVID-19 Plans after 3/5/2021

The administrators made a recommendation for an addendum to the Bulldog Blueprint which was set to expire on 3/5/2021. They recommended that grades 4K-5 continue with the four-day a week model that has been in place since the start of the 2020-21 school year. This includes in-person instruction on Monday, Tuesday, Thursday and Friday and virtual learning on Wednesdays. For Grades 6-12 they recommended continuing with the current hybrid model (Blue/Gold Groups) through April 16 and then transitioning to a four-day a week model beginning on April 19 through the end of the school year where all students in grades 6-12 would attend in-person instruction on Monday, Tuesday, Thursday and Friday and have virtual learning on Wednesdays. Conditions to allow for this transition include continuation of mandatory mask requirements for students, staff, visitors, etc. and creating acceptable social distancing within classrooms. Motion by Ms. Levzow/seconded by Mr. Pulver to approve the school COVID-19 plans after 3/5/2021 as presented. Motion passed 6-0. Mr. Kath mentioned that the mask mandate

was going against the parent survey. Approval of Revised School Calendar Due to changes approved in the COVID-19 plan after 3/5/2021, the calendar needed to be revised. Motion by Mr. Kath/seconded by Ms. Levzow to approve the revised calendar as presented. Motion passed 6-0.
