

Pardeeville High School

Position: High School Mathematics Teacher

Start Date: August 2024

Application Deadline: May 4, 2024

Job Description:

Pardeeville School District is seeking a skilled, highly motivated high school permanent mathematics teacher starting with the 2024-25 school year. *Coaching and/or advisory positions may also be available.*

Qualifications:

Have a strong content-area knowledge with Wisconsin teaching certification in Math (1400). Work with our Secondary Math Department to develop, refine, deliver, and evaluate a vertically aligned math sequence for our students. Create an engaging classroom environment that challenges all students to high levels of learning and achievement. Understand and implement best practices for instruction. Build positive relationships with students and families. Experience with CPM curriculum is a plus. Teaching assignments may include Algebra, Geometry, Algebra 2, Trigonometry, Statistics, and/or Pre-Calculus. Pardeeville Area School District is a 1:1 Chromebook District.

This position requires a minimum of a WI DPI License in mathematics (1400); additional licenses are a plus.

How to Apply:

All applicants need to apply through WECAN. Questions can be directed to David Bell, High School Principal, by emailing bellda@pasdwi.org.

The Pardeeville School District serves students in Early Childhood through Grade 12 and strives to foster academic excellence, lifelong learning, and citizenship. With a population of just over 2,000 people, the village of Pardeeville offers a small-town atmosphere but is only 10 miles from Portage and 30 miles from Madison.
