Pardeeville Area School District Board of Education Announces Superintendent Search Survey

The Pardeeville Area School District is beginning the process of hiring a full-time district administrator to start work on July 1, 2021. The School Board enlisted the services of the Wisconsin Association of School Boards to assist in facilitating the search process. The Board of Education is interested in gathering input from staff and the community related to the hiring of a new district administrator. A Community Survey is one of the tools being used to help gather this information from the various stakeholders in the district. The information gathered from the Community Survey will assist the board in the creation of a profile outlining the skills and characteristics sought in candidates for the position, and to help in the development of questions to be used in the interviews. The Community Survey can be accessed beginning November 16, 2020 on the Pardeeville Area School District web site at www.pardeeville.k12.wi.us. The link to the survey will be open through November 23, 2020. A paper copy of the survey can also be obtained by contacting the School District Office.
