

## RESPONSIBLE ADULT REQUEST

I, \_\_\_\_\_ (DOB \_\_\_\_\_),  
have reached the legal age of eighteen (18) and I am considering to become the sole  
responsible adult for all my education and behavioral purposes at Pardeeville High  
School. By filling out this document I understand that the school will inform my  
parent(s)/guardian(s) of my intent. It is understood that this process will:

1. No longer allow my parent(s)/guardian(s) to have any say in my education or behavioral issues.
2. No longer allow the school to share academic or behavioral progress.
3. Exclude my parent(s)/guardian(s) from having access to any confidential personal data.
4. Not give me any special privileges, and that I must continue to abide by established school rules

It is my understanding that now the high school will make my parent(s)/guardian(s) aware of my desires. If this continues to be my wish, the school will acknowledge it and make it official after ten (10) school days.
